Ana De Castro Maguiz
FRANCISCO DIAZ, COUNTY CLERK - RECORDER

PETITION FOR LOCAL RECALL

TO THE HONORABLE County of San Benito Board of Supervisors.

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the Supervisorial District 2 of County of San Benito, California, respectfully state that we seek the recall and removal of Kollin Kosmicki, holding the office of District 2 County Supervisor in County of San Benito, California.

The following Notice of Intention to Circulate Recall Petition was served on June 9, 2025 to Kollin Kosmicki:

Supervisor Kosmicki has abused his position by promoting a divisive agenda that prioritizes political control over public safety. He has refused to collaborate with Hollister to renew a proven, cost-effective fire services contract. He ignored public calls for openness, transparency and collaboration, instead negotiating behind closed doors and excluding key stakeholders like the Fire Chief, and spreading false narratives about department costs and firefighter compensation. Despite claims the County cannot afford to pay its share for Hollister fire services, he is attempting to unilaterally replace those services by building a new County Fire Department which will cost taxpayers millions more than the contract with Hollister Fire, and result in reduced fire protection for residents and unsafe working conditions for firefighters.

Furthermore, his continued pattern of disrespect toward firefighters, colleagues and residents who disagree with him has fostered a toxic political environment. This recall is necessary to restore integrity, transparency, and respectful leadership to San Benito County.

The answer of the officer sought to be recalled is as follows:

Those behind this dishonest effort claim it's about stalled fire contract negotiations.

It turns out I helped to negotiate the newly approved fire protection contract ensuring high-level public safety for years to come throughout San Benito County. This is a big victory for our community.

But this was never about fire protection.

This is driven by a small group of constantly negative people trying to spread misinformation and line the pockets of developers.

They are desperate to remove me as a bold leader who is constantly standing up for responsible housing growth and prioritizing road improvements.

This is an effort to fool the public and help special interests gain control of our community.

This effort to intimidate me involves former Hollister Councilman Rick Perez. It comes after I openly opposed his and others' push to expand Hollister's boundaries by 3,000 acres to allow uncontrolled housing growth on prime farmland.

We defeated their effort together, but Perez and his friends aren't giving up.

Now, they are abusing the recall process as a political tactic. This will not deter me from staying transparent, fighting for our community's best interests and representing everyday residents.

Each of the undersigned states for himself/herself that he or she is a registered and qualified elector of the Supervisorial District 2 of County of San Benito, California.
