OLD BUSINESS

NEW BUSINESS

Voting Accessibility for Deaf Voters-Eric's video was successfully uploaded to YouTube and linked on our website. The link was shared with the present attendees, <https://youtube.com/shorts/hzaJKH4bEGo?feature=share>. Solomon suggested for future videos to have a solid-colored background to avoid distractions and bring full attention to the subject of the video and to add in-video captions to aide in the better understanding of the content for people with different disabilities.

Scanning Project- after the fire that happened in 2023 at the elections office, they are focusing on going fully electronic to store documents safely and make any moves easier.

Jovenes de Antano Christmas event- The elections department is volunteering at the local senior center for their Christmas party.

Plans for off year- 2025 is an off year for the elections department as there are no scheduled elections as far as we know. In this off year the elections department plans to inventory, organize and clean up their working pace, warehouse and records.

Plan for 2025 VAAC Meetings- the plan for future meetings in 2025 is to meet quarterly (every 3 months) due to having an off year and less to update the board on. If we need to have any additional meetings, we can call for them. The dates for these future meetings will be decided and shared with the board once decided.

* Solomon shared with us that he will be traveling to Africa for a sign language conference, he shared the link with more information about the event with us, <https://tislrethiopia.org/>. He will also be traveling to different places around the world to be part of more conferences and events.
