COUNTY OF SAN BENITO

Dear Residents of San Benito County,

I am pleased to present the official Statement of Vote for the November 4, 2025, Special Statewide Election. In compliance with California law, our office has conducted the official canvass, and I would like to share the steps taken to finalize and certify the election results.

In accordance with Elections Code Section 15302, our elections staff completed the official canvass on November 30, 2025. This vital process involved a comprehensive review of all election materials to ensure the accuracy and integrity of the election results. The following key procedures were followed during the canvass:

1. Examination of all materials and supplies returned by poll workers.
2. Reconciliation of signatures on the roster with the number of ballots recorded on the ballot statement.
3. Resolution of any discrepancies, including matching ballots received from each polling place with those cast.
4. Reconciliation of counted, spoiled, canceled, or invalidated ballots with recorded votes, including vote-by-mail and provisional ballots processed by the vote counting system.
5. Processing and tallying of any valid vote-by-mail and provisional ballots not included in the semifinal official canvass.
6. Compilation of valid write-in votes.
7. Duplication of any damaged ballots, if necessary.

Following the completion of this process, and as required by Elections Code Section 15372, I certified the election results on December 2, 2025.

We take great care to safeguard the integrity of your vote throughout every stage of this process, and we truly appreciate the trust you place in our office. If you have any questions or require further information, please do not hesitate to contact us using the details provided on our website.

Thank you for your participation in the democratic process and for your continued engagement in San Benito County elections.

Report of Manual Tally

California Statewide Special Election

Tuesday, November 4, 2025

Official Canvass: The official canvass was completed and certified on Tuesday, December 2, 2025. This process consisted of several steps which were conducted per Chapter 4, commencing with Election Code Section 15300. These steps include an inspection of all materials and supplies returned from each voting location, processing and counting vote by mail ballots and ballots cast at and returned from each voting location, including same day registration (CVR/PV) ballots, a reconciliation of signatures in the Voting Location check-ins with votes recorded, a reconciliation of ballots counted with the number of votes recorded, a manual tally of 1% of the ballots cast and tabulated by the voting systems. The Department notified the public of the schedule of activities and invited any and all interested individuals and/or groups to observe.

1% Manual Tally of Paper Ballots: The 1% manual tally includes ballots cast from a randomly selected voting location, including random return groups of vote-by-mail, early voted ballots, and election day in person ballots. The "one percent manual tally" is defined by Election Code Section 336.5 as "the public process of manually tallying votes in 1 percent of the precincts, selected at random by the elections official, and in one precinct for each race not included in the randomly selected precincts. This procedure is conducted during the official canvass to verify the accuracy of the automated count."

On Tuesday, November 18th at 12:34 pm, the Department generated a random selection of ballots to tally. The random selection included countywide vote by mail ballots, and 2 Vote Center batches from in person voting.

CANVASS SUMMARY	MACHINE COUNTED	MANUAL COUNTED	MANUAL PERCENTAGE

In Person Voting	1,746	238	13.63%
TOTAL	20,321	613	3.02%
